

Fresh Waffle Cone With Ice Cream

Brand Overview

With 25 years of experience and extensive research in franchise models, cost optimization, low-investment strategies, and high ROI business development, we proudly created the “TIPARII” Pure Bliss brand.

The brand is recognized for its strong commitment to quality, taste, and innovative flavours, along with a live counter serving freshly made waffle cones. TIPARII stands apart through its use of pure milk and trans-fat-free ingredients, which have become the true identity of the brand.
